WHO Europe governing body brings high-level health decision-makers from 53 countries to UN City in Copenhagen

Journalists invited to press conference and briefings

The WHO Regional Committee for Europe, which is the governing body of WHO/Europe, will meet in Copenhagen, Denmark from 15 – 18 September 2014. Ministers of health, along with delegates and special guests from across the 53 Member States of the WHO European Region, will gather to discuss some of the key public health matters of the Region, including vaccination, child and adolescent health, child maltreatment prevention, and food and nutrition. They will also review a progress report on the European policy for health and wellbeing Health 2020.

HRH Crown Princess Mary of Denmark and WHO Director-General, Dr Margaret Chan, will address the Regional Committee.

The Regional Committee will meet at UN City (Marmorvej 51, 2100 Copenhagen Ø, Denmark).

Journalists are invited to:

- A curtain raiser press conference to be held on Thursday, 11 September at 11.00 at UN City.
- A series of press briefings, which will be organized from Monday, 15 September, through Thursday, 18 September 2014 also at UN City.
- Media will also have a unique opportunity to meet and interview policy-makers in the European health community as they discuss the health challenges for the Region.
