## Global Monitoring Framework for NCDs Global and Regional Mental Health Action Plans

Oleg Chestnov ADG/NMH  
Gauden Galea DNP

## Global Process

World Health  
Organization

REGIONAL OFFICE FOR  
Europe

WHO REGIONAL COMMITTEE FOR EUROPE – 62nd SESSION

Malta, 10–13 September 2012

# Indicators → Targets

Political Declaration on NCDs (resolution A/RES/66/2)

## Indicators

**61. ...a comprehensive global monitoring framework, including a set of indicators...**

## Targets

**62. ...set of voluntary global targets for the prevention and control of NCDs, before the end of 2012.**

# World Health Assembly decision (WHA65(8) (May 2012))

- DECIDED
  - To adopt a global target of a 25% reduction in premature mortality from NCDs by 2025

## Process: Next steps

2012

- **25 July 2012 – 19 October 2012:** Relevant global NGOs and selected private sector entities are invited to submit their views by email ([ncdpartnership@who.int](mailto:ncdpartnership@who.int)) on the revised WHO Discussion Paper

2012

- **September – October 2012:** Discussions at the WHO Regional Committees

2012

- **End of October 2012:** WHO Secretariat will publish a report summarizing the outcomes of the discussions at the Regional Committees and the views received from relevant global NGOs and selected private sector entities

2012

- **5-7 November 2012:** Formal meeting with Member States and UN agencies to conclude the work

2012

- **January 2013:** WHO Secretariat will submit a report on the final recommendations to the Executive Board

2013

- **May 2013:** WHO Secretariat will submit a report with the final recommendations to the World Health Assembly

# 11 voluntary global targets presented in the revised WHO Discussion Paper

Premature mortality from NCDs  
**25% reduction**

**Raised blood pressure**  
**25%**

**Tobacco smoking**  
**30%**

**Salt/  
sodium intake**  
**30%**

**Physical inactivity**  
**10%**

**Obesity**  
**0%**

**Fat intake**  
**15%**

**Alcohol**  
**10%**

**Raised cholesterol**  
**20%**

**Generic medicines and technologies**  
**80%**

**Drug therapy and counseling**  
**50%**

# Regional Consultation

World Health  
Organization

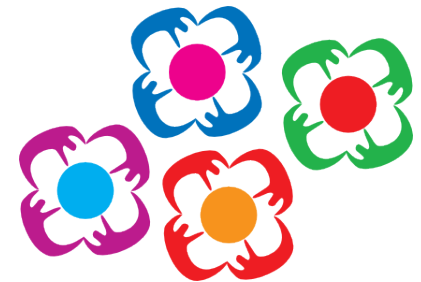

REGIONAL OFFICE FOR Europe

WHO REGIONAL COMMITTEE FOR EUROPE – 62nd SESSION

Malta, 10–13 September 2012

# European process

- ✓ February 2012: European Regional Technical Consultation on NCD Surveillance, Monitoring and Evaluation
  - ✓ Based on the first draft of the Global Monitoring Framework
  - ✓ 85 participants including 28 member States and 7 WHO Collaborating Centres, hosted by the Norwegian Directorate of Health, Oslo
  - ✓ Issues raised around capacity and disaggregation of data
- ✓ August 2012: Web based consultation on the Global Monitoring Framework to clarify country capacity and constraints
  - ✓ Based on the third draft of the Global Monitoring Framework
  - ✓ 38 Member States have replied – by 3 September noon
  - ✓ Results and conclusions presented in next slides

# Capacity [1]

## National Health Reporting

	All	EUR-A	EUR B+C
NCD mortality	100%	100%	100%
NCD morbidity	98%	96%	100%
NCD risk factors	73%	78%	68%

**Capacity to Disaggregate: Medium to Low**

# Capacity [2]

## Behavioural Risk factors

	All	EUR-A	EUR B+C
Tobacco	92%	96%	88%
Alcohol	85%	93%	76%
Diet	83%	89%	76%
Physical inactivity	77%	78%	76%

# Capacity [3]

## Biological Risk factors

	All	EUR-A	EUR B+C
Overweight & obesity	85%	93%	76%
Blood pressure	83%	81%	84%
Blood glucose	73%	78%	68%
Blood lipids	60%	74%	44%

# Assessing European Regional Capacity for Proposed Indicators

Premature mortality from NCDs  
25% reduction

Raised blood  
pressure

Tobacco  
smoking

Salt/  
sodium intake

Physical  
inactivity

Obesity

Fat intake

Alcohol

Raised  
cholesterol

Generic  
medicines &  
technologies

Drug therapy  
and counseling

# Next Steps

- ✓ Note and Comment

- ✓ Regional Committee invited to note these findings and to comment

- ✓ Question

- ✓ Should there be further technical consultation (a Regional Technical Working Group or a Regional Consultation) to further discuss remaining technical issues?

# **Mental Health Consultation: Global and Regional Action Plans Oslo, Norway, 3-5 September 2012**

**World Health  
Organization**

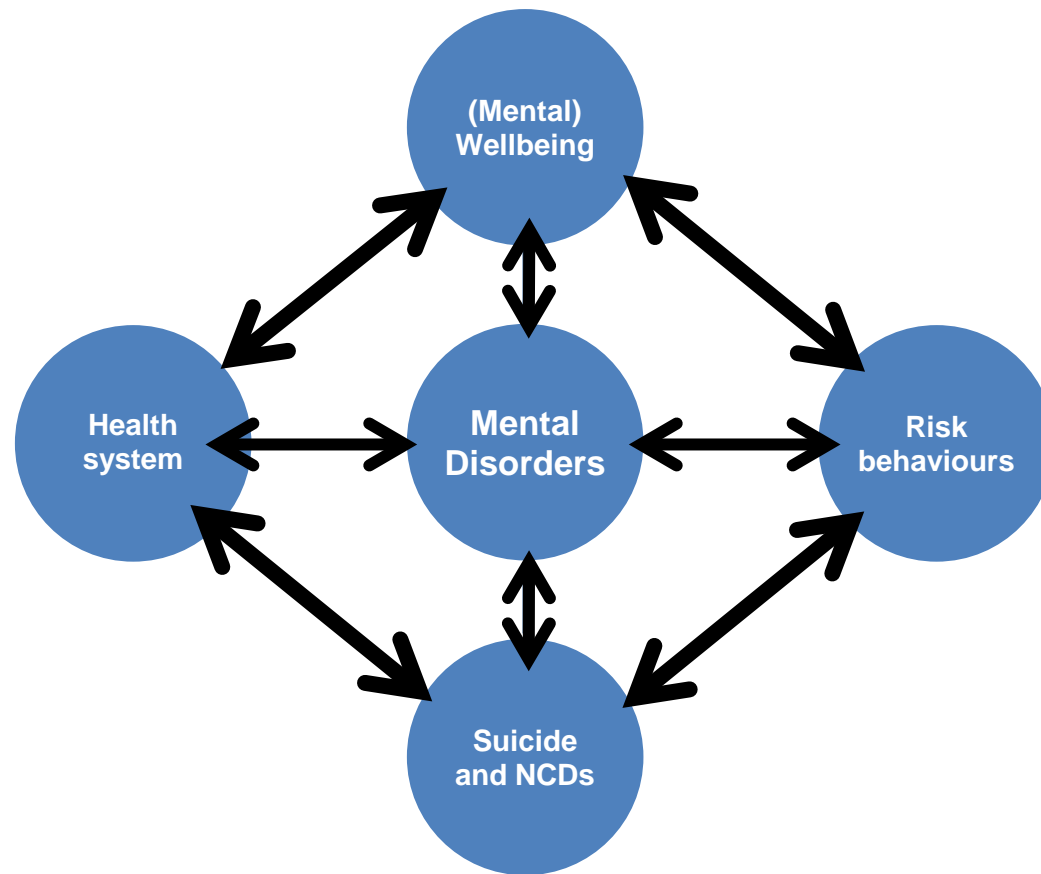

REGIONAL OFFICE FOR  
**Europe**

**WHO REGIONAL COMMITTEE FOR EUROPE – 62nd SESSION**

Malta, 10–13 September 2012

# Mental disorders & mental health

## Cycle of Wellbeing

# Mental Health Action Plan

## Priority points raised

- Involving all agencies contributing to inclusion, at government level and locally.
- Build self help capacity, using E-Health.
- Education and training to change service culture.
- Develop targets that strengthen leadership.
- Define concepts and terminology

# Thank You!
