## **Implementing the programme budget 2014–2015**

This document contains a correction to paragraph 110 in the section “Framework of the WHO Regional Office for Europe”.

Paragraph 110, bullet one has been replaced by “Member State engagement”.

The full paragraph 110 should read:

110. This document does not contain numbers for *inter alia* results, budgets and financing because operational planning is still under way. Shortly before the Regional Committee meeting, an information document will be issued, containing the latest data from operational planning, including:

- Member State engagement;
- budget information, including comparisons between the programme budgets 2012–2013 and 2014–2015 and operational planning for 2014–2015; and
- the financial situation for 2012–2013 and the current outlook for 2014–2015.
