# EMERGENCY PREPAREDNESS AND RESPONSE

THE WORLD HEALTH ORGANIZATION'S (WHO) CONTRIBUTION IN KYRGYZSTAN

## INTERNATIONAL HEALTH REGULATIONS (IHR)

- scaling up IHR implementation and strengthening national capacity since 2012
  - joint external evaluation of IHR functions, 2016
  - assistance in preparing the national action plan, 2017

## DISASTER PREPAREDNESS AND RESPONSE

- WHO is part of the Disaster Response Coordination Unit mechanism
- assessments of the hospital safety Index, 2016 and 2017
- prepositioning emergency health kit
- humanitarian response during emergencies since 1996

## PANDEMIC INFLUENZA PREPAREDNESS

- assistance in developing a pandemic influenza preparedness plan, 2017
  - strengthening influenza surveillance, 2015-2017
  - capacity development on laboratory surveillance, clinical management and outbreak prevention

## BETTER LABS FOR BETTER HEALTH

- support for the development of the national plan for laboratories, 2016
- assistance in implementing laboratory certification standards, 2017
- outbreak investigation and response guidelines, 2017

We thank the Ministry of Health of Kyrgyzstan, other national stakeholders, international development partners, and donors for their partnership and support
