CIHSD defined

- The management and delivery of health services such that people receive a continuum of services through the different levels and sites of care within the health system, and according to their needs.

Road towards more CIHSD

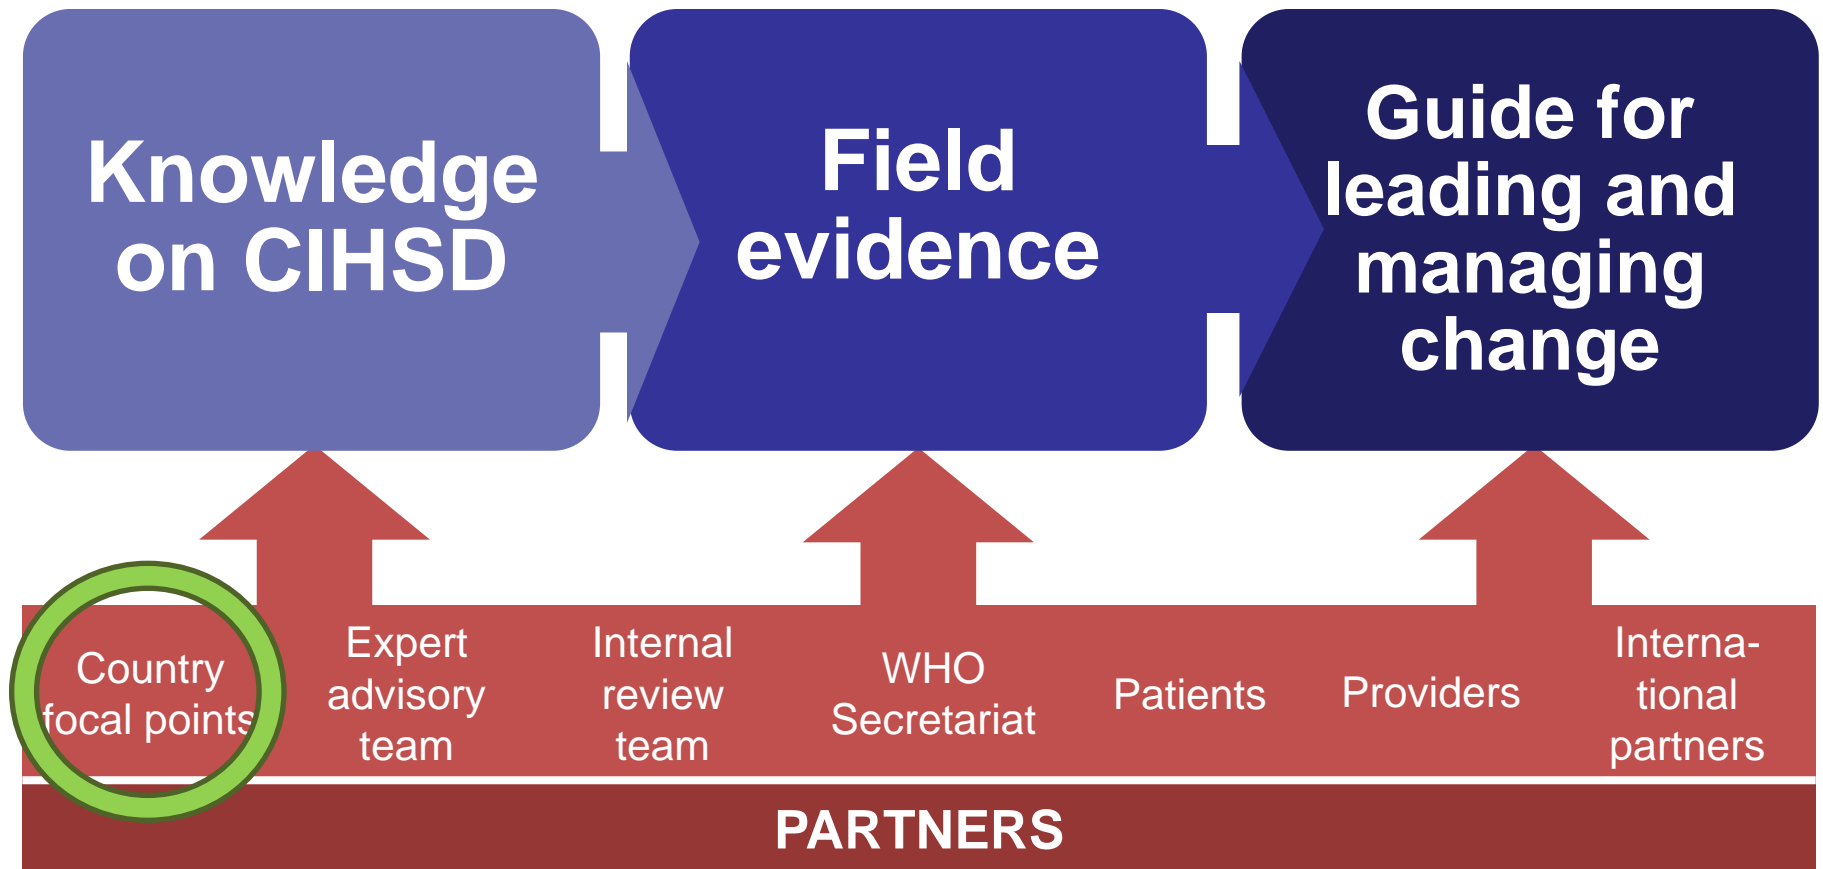

Health systems for health and wealth in the context of Health 2020:
follow-up meeting on the 2008 Tallinn Charter
17–18 October 2013, Tallinn, Estonia

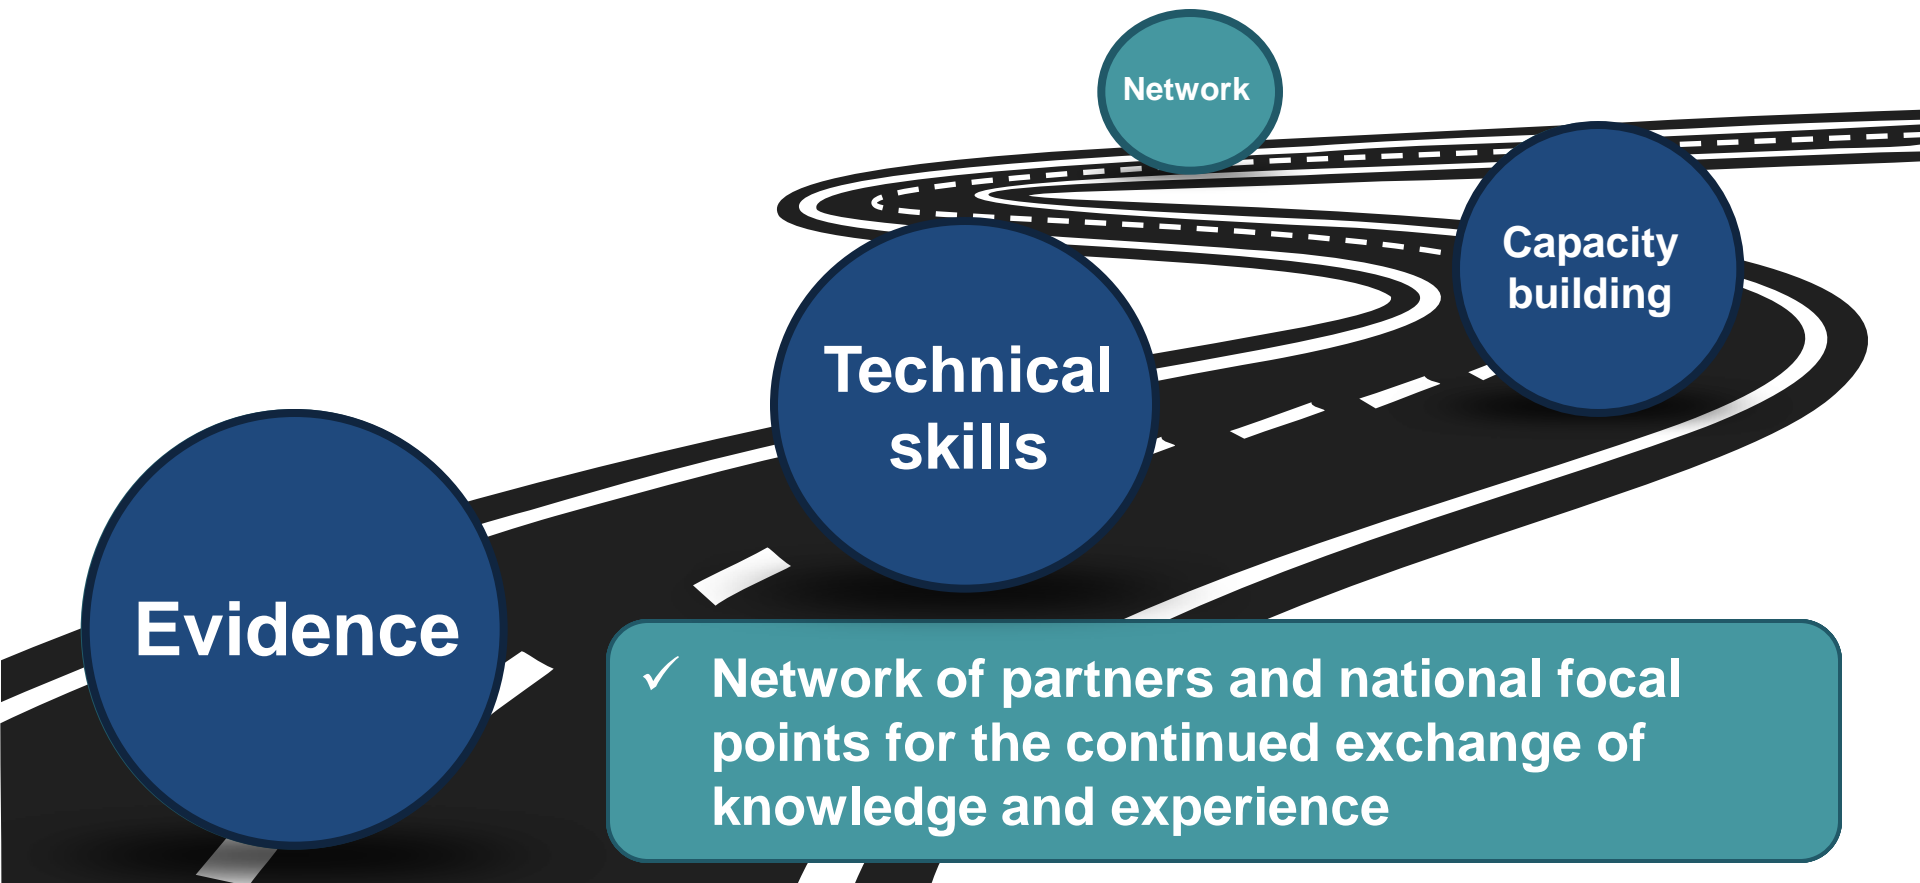

Roadmap for CIHSD

18 October 2013

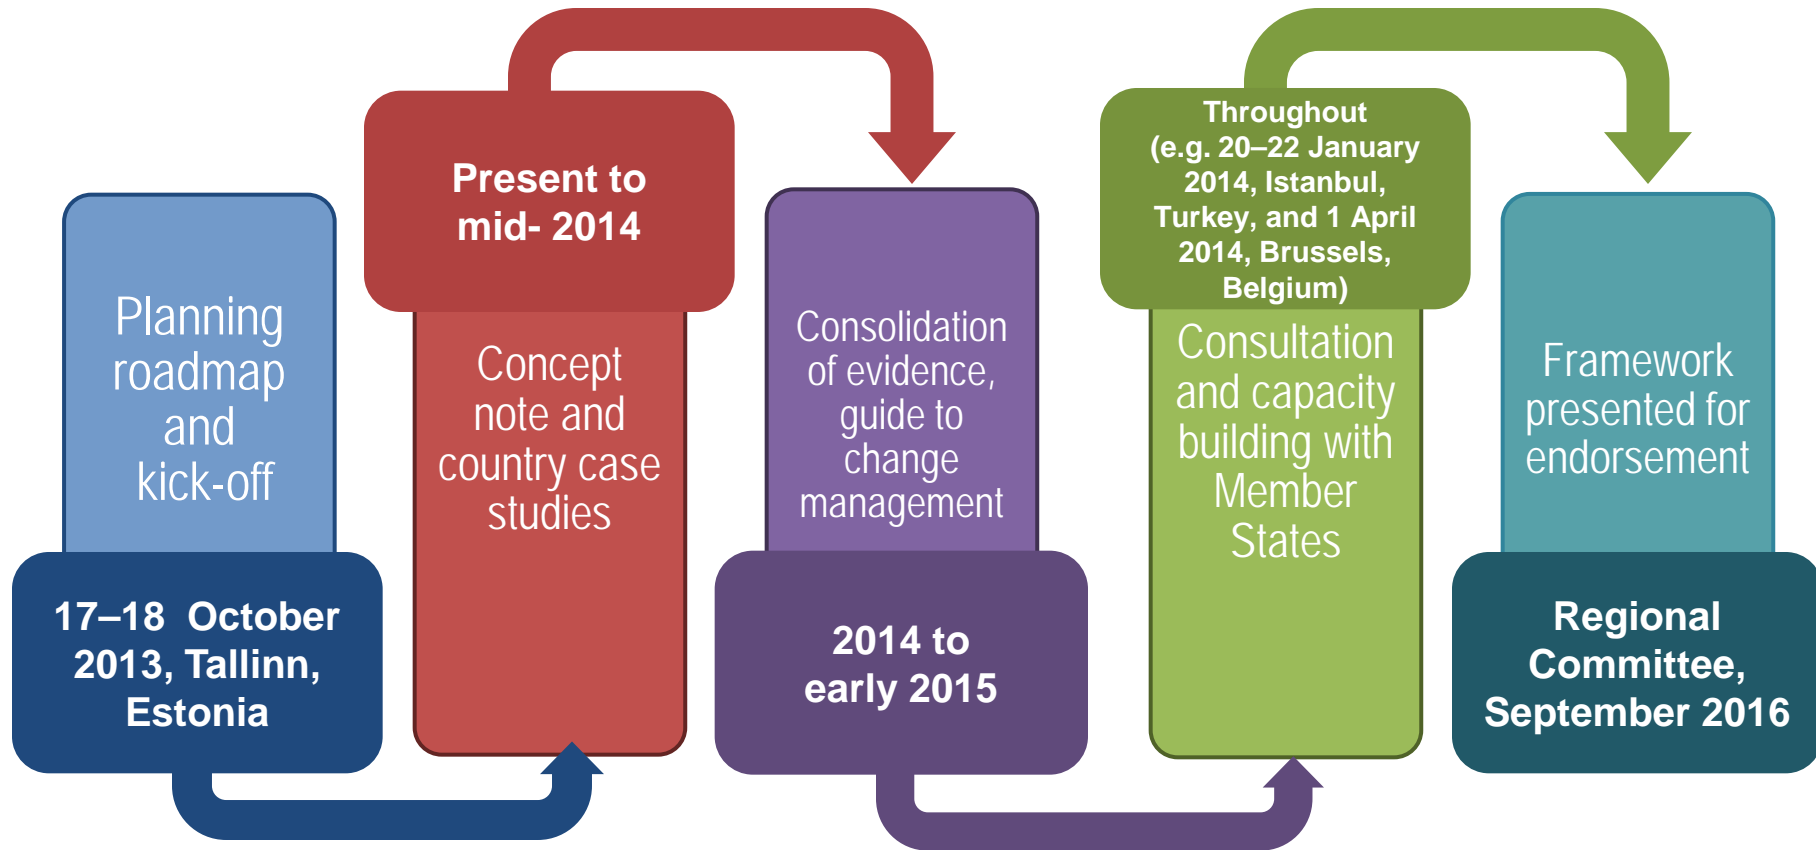

Framework for Action towards CIHSD in the WHO European Region

Benefits for WHO European countries through the Framework for Action towards CIHSD

Key milestones in developing the Framework
